Organized by Friends in Need Foundation of
the Ellicott City Rotary Club &

Bucket # _____

Team Information (please print or type)

Name of Group or Organization	
Contact/Team Captain Name	
Telephone (home)	
Telephone (business or cell)	
E-Mail	

Event Information

- Where:** The lake at Centennial Park
- When:** Saturday, February 27, 2010 from 1 to 5 pm. All participants must be in place by 2:50 pm to join hands for the 3:00 pm moment of silence.
- Parking:** Due to the large number of participants expected for this event, parking on site will be limited to Full Vehicles only, and will be first come first served until 1 pm. After 1, your group should park at the satellite parking identified with your bracelets for shuttle busing. Allow 20 minutes for shuttling. Shuttle buses will end at 5:00 pm.

Team Information

- Each team should attempt to get 25 participants. Adults, families and children are welcome.
- Each participant should make a donation. There is no minimum donation. However, \$20 per participant or \$500 per bucket is our goal. Donors need not attend the event but we need 24-26 participants on the day of the event for each bucket/team in order to encircle the Centennial Lake. Donations can be made online (see below).
- Your team is assigned a bucket number above. This number will also be used to locate your team's spot on the 2.6 mile path that encircles the lake.
- Give each team participant/donor a bracelet and a copy of the map provided in your bucket that designates your team's parking assignment and approximate location on the lake path. *Note: If you have special needs participants, contact the organizers for reassignment to an appropriate location nearer the shuttle bus drop off.*

Contact Information

- More information and copies of forms are available at www.happydollars.org. Be sure to check the website as the date approaches to confirm details.
- Phone 410-418-4195
- Email: info@happydollars.org

Fax a copy of this form to 410-480-0956 to register your group
